# Mission Statement

Alphademic Learning is an organization committed to providing free online classes for students across the nation. Our number one priority is to provide students with the best learning experience possible in a variety of subjects, including math, science, humanities, and the arts. Our volunteers are nationally recognized and ranked students in USA(J)MO, USABO, USNCO, USAPhO, USACO, Science Olympiad National Tournament, and various national debate tournaments. At Alphademic Learning, we believe that every student should have the opportunity to discover and pursue their academic interests.
